ABLECARE RECORDED CALL

CEO Duty of Care Breach — April 15, 2026

Death Threat Reported · No Emergency Response · NDIS Mandatory Reporting Breach

Dr. Richard William McLean AKA Barran Dodger — PhD · Whistleblower · Disabled LGBTQ+ Advocate

ABN 78 833 496 164 · barrandodger.com · 9 May 2026

FORENSIC SIGNIFICANCE OF THIS CALL

This recorded telephone call took place on April 15, 2026, the day of the documented death threat at 55B Archbold Road, Long Jetty NSW. The call documents AbleCare CEO Brett Butler receiving formal notification of: an active death threat; police non-response (no incident number recorded); a \$10 million Bitcoin assassination bounty; named perpetrators (Tony Ridley, Steve Iasonidis, Hood Merribee); and an explicit request for relocation to a safe address. Brett Butler's response to each of these notifications is documented in the call transcript and constitutes the evidentiary record of AbleCare's conduct.

KEY TRANSCRIPT EXCHANGES

- **Police Non-Action Established (First Line of Call)**

The call opens with a support worker reporting that police attended the death threat but left without an event number. The support worker is now driving to the police station to attempt to retrieve basic documentation. This establishes from the opening of the call that police non-response was the operational reality.

- **Brett Butler's Response: "In Some Days or Some Weeks"**

When asked directly about Dr. McLean's safety and the active death threat, Brett Butler (AbleCare CEO) responded that he would address the matter "in some days or some weeks." This is AbleCare's documented response time to a CEO being formally notified of an active assassination threat against an NDIS participant in their care. Under NDIS SIRS (Serious Incident Reporting Scheme), this is a critical incident requiring immediate response — not a days-or-weeks timeline.

- **\$10 Million Bitcoin Bounty — CEO Now Formally Informed**

Dr. McLean stated on the recorded call: "Tony Riddle, Steve Isonides, Hood Merribee, and many other vigilantes that have a price on my head — \$10 million in Bitcoin, which I've acknowledged from my surveillance and my whistleblowers who work on the inside." AbleCare CEO Brett Butler received this information in real time and took no emergency action.

- **"The Police Will Allow Them to Enter the Property and Murder Me"**

Dr. McLean stated explicitly: "If anyone decides to kill me — and it has been documented this morning that that is the case — the police will allow them to enter the property and murder me. Because there's no incident report for the police this morning." This formal statement of imminent danger was received by AbleCare CEO on record.

- **AbleCare Staff Warned Previous Housemate — Enabling Flight**

Dr. McLean documented on the call that AbleCare staff had warned a previous housemate that police were coming, enabling that person to flee. This allegation of AbleCare operational complicity in preventing police action is formally part of the recorded call and therefore the evidentiary record.

- **NDIS Act 2013 s.73Z — Mandatory Reportable Event**

The death threat is a mandatory reportable event under the NDIS Act 2013 s.73Z. AbleCare's CEO was formally notified on this call. As of Wyong Local Court date (14 May 2026), the incident has not been formally reported. Every day of non-reporting after the CEO's documented notification is a statutory breach.
