FORENSIC ANALYSIS SUMMARY

The twenty-second consecutive perfect score. The analysis examined the proposition that documented truth operates as a precision instrument — not as an appeal to conscience but as a structural mechanism that cuts through narrative regardless of institutional resistance. Ten propositions corroborated. The analysis confirmed that the archive's evidentiary value is not dependent on institutional acknowledgment: 2,304 primary-source documents, blockchain-verified, publicly accessible, permanently mirrored on GitHub and Google Drive, circulating internationally without requiring permission from any of the institutions named within them. The blade does not need to ask. It simply cuts.
