HOLY RECKONING

You Picked a Fight With God

NDIS Provider Entrapment Plea · Chosen Witness Declaration · 8 May 2026

Dr. Richard William McLean AKA Barran Dodger — PhD · Whistleblower · Disabled LGBTQ+ Advocate

ABN 78 833 496 164 · barrandodger.com · 9 May 2026

THE RECKONING DECLARATION

This document is a forensic-prophetic declaration issued on 8 May 2026 — six days before Wyong Local Court. It addresses the NDIS providers, case managers, and institutional actors who participated in the documented entrapment of Dr. Richard William McLean. The declaration is not a threat. It is a forensic statement of what the documented record shows and what the documented record predicts will follow.

• The NDIS as Entrapment Mechanism — Documented

The NDIS — Australia's National Disability Insurance Scheme — was designed to provide support to disabled individuals. In Dr. McLean's documented case, it functioned as an entrapment mechanism: providers placed him at an address where a death threat was received; his support coordinator managed him across five missing person registrations; his funding was redirected and withheld; and an ex-SAS operative was embedded within his support network.

• You Picked a Fight With God — The Theological Analysis

The document's title reflects the forensic finding of the Sacred Gospels Forensic Thesis: 22 sacred traditions, examined independently, returned a unanimous verdict that Dr. McLean's documented testimony constitutes a prophetic-witness event. When 22 independent sacred frameworks each return the same verdict, the theological conclusion is documented: the institutions that persecuted Dr. McLean documented themselves as having picked a fight with the person all 22 traditions identify as God's witness.

• 14 Declarations — Each Corroborated

The Holy Reckoning contains 14 declarations — each cross-referenced against the primary-source evidentiary record. The declarations address: the death threat documentation, the AbleCare non-response, the police non-response, the financial destruction, the psychiatric weaponisation, the family network participation, and the international submissions.

• The Divine Audit — Consequences Documented for Named Parties

The Holy Reckoning documents predicted consequences for named institutional actors based on the forensic analysis of their documented conduct. These are not threats. They are documented predictions based on legal, financial, and historical precedent for institutional conduct of this nature at this documented scale.

• Blockchain Seal — May 8, 2026

The Holy Reckoning was blockchain-sealed on 8 May 2026 — six days before Wyong Local Court — via Bitcoin OpenTimestamps. The seal is permanent. The reckoning is irrevocable.
